A great supporter of vampire art at deviantArt is [Fae Gatekeeper](#) . Fae works in 3D and in addition to creating her own vampire character series Ladies of Lust, she also runs the [Servant to Lust group](#) at deviantArt. She is also the author of the novel [Vehicle of Vengeance](#)

.

She is a prolific and talented 3D artist and has taken on the challenge of creating a new image for Vampire's Promise every day for the month of March. We greatly appreciate her contributions to this site and encourage you to stop by her gallery on deviantArt. If you see something you like, and you surly will, please let her know.
